

Habitat/Characteristics

I live near the shore where the waves crash. Because of the waves I must constantly swim. I love to eat small fish, crabs and shrimp.

- 1. Fusiform**
- 2. Mouth in front**
- 3. Forked**

.

Habitat/Characteristics

I live in the open ocean so I swim constantly. I eat things near the surface of the water.

- 1. Fusiform**
- 2. Mouth on top**
- 3. Forked**

Habitat/Characteristics

I live near the shore on a sandy bottom. I eat small crabs and shrimp. I lie on the bottom and rarely move fast.

- 1. Depressed**
- 2. Mouth in front, mouth on bottom**
- 3. Truncate, round**

Habitat/Characteristics

I live in the salt marsh. I eat small invertebrates from the pluff mud. I do swim fast sometimes to get away from predators, but most of the time I don't.

- 1. Compressed**
- 2. Little mouth**
- 3. Truncate, round**

Habitat/Characteristics

I live on the rocky seashore. I eat fish that are on the surface. I am a strong swimmer, but not very fast.

- 1. Compressed**
- 2. Mouth on top**
- 3. Truncate, round**

Habitat/Characteristics

I live in holes on the coral reef. I eat large fish that I dart out to catch. I like to hide in crevices.

- 1. Filiform**
- 2. Mouth in front**
- 3. Continuous**

Habitat/Characteristics

I live in the kelp forest so I like to weave among the kelp pieces. I eat fish in front of me. I am happy to just hang around so I don't go anywhere fast

- 1. Compressed or Filiform**
- 2. Mouth in front**
- 3. Truncate, round or continuous**

Habitat/Characteristics

I live on the coral reef but I do swim quickly. I eat algae and small fish.

- 1. Compressed**
- 2. Little mouth**
- 3. Forked**

Habitat/Characteristics

I live in the open ocean. I constantly swim so I can eat large fish.

- 1. Fusiform**
- 2. Mouth in front**
- 3. Forked**

Habitat/Characteristics

I live on the sandy bottom. I like to hide in the sand. I eat things underneath me that I cannot see because my eyes are on top of my head. I do have to swim to get food.

- 1. Depressed**
- 2. Mouth on bottom**
- 3. Truncate, round**

Habitat/Characteristics

I live on the coral reef. I hide from predators as well as eat the coral. Because it's a tight fit in the coral, I don't need to be too fast.

- 1. Compressed**
- 2. Little mouth**
- 3. Truncate, round**

Habitat/Characteristics

I live on the reef and eat small pieces of algae. I swim around all day never going too far.

- 1. Compressed**
- 2. Little mouth, beak like mouth**
- 3. Truncate, round**
