

Egg Origami: Steps 1-4

Step 1: Start with a square piece of paper.

Step 2: Fold the corner to make a triangle. And then unfold it.

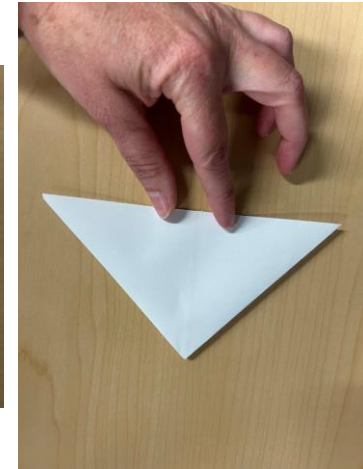

Step 3: Fold the other corner to make a triangle. And then unfold it.

Step 4a: Carefully squeeze in sides to make a plus sign.

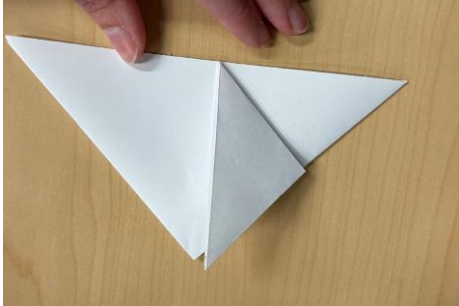

Step 4b: Turn and gently fold sides together.

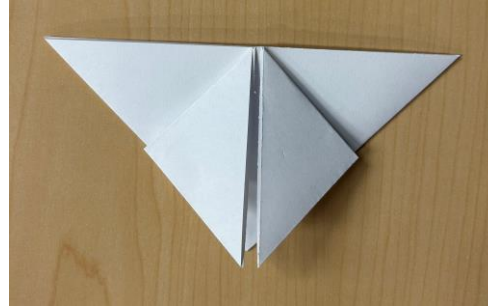

Step 4c: Press firmly to make flat creases for the triangle.

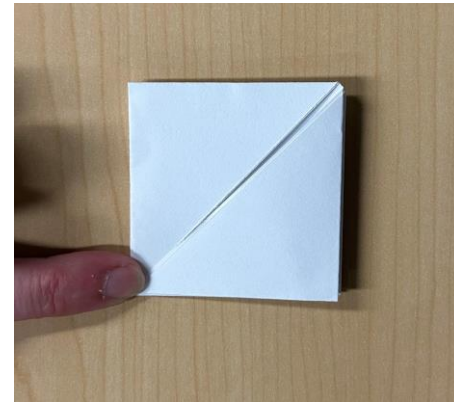

Egg Origami: Steps 5-10

Step 5: Fold down right corner to meet middle line.

Step 6: Fold down left corner to meet middle line.

Step 7: Turn over and repeat Steps 5 & 6 to make square.

Step 8: Fold up the corner so the tip meets the line.

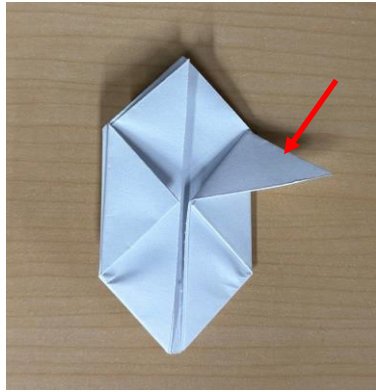

Step 9: Fold down the corner so the tip meets the line.

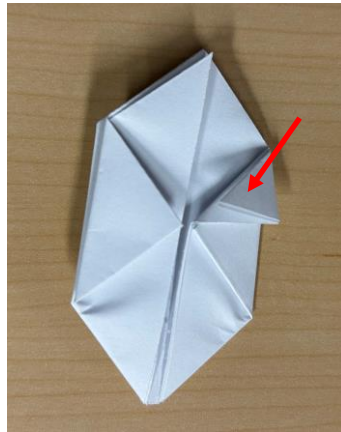

Step 10: Turn over and repeat Steps 8 & 9.

Egg Origami: Steps 11-14

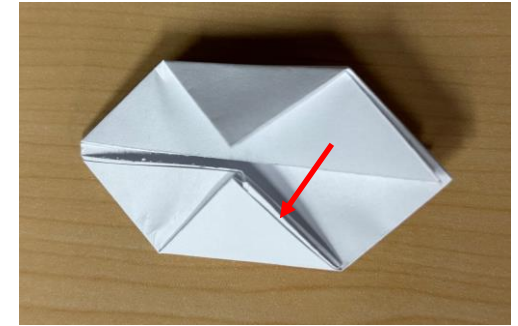

Step 11a: Bring loose corner down and crease.

Step 11b: Fold same corner back to middle.

Step 11c: Find opening below the folds just created.

Step 11d: Tuck folded triangles into opening and gently arrange flat.

Step 12: Repeat Steps 11a-11d for all loose corners (total of 4).

Step 13: Hold upright to see plus sign from top and bottom view. One side has hole, one side doesn't.

Step 14: Very carefully and with a dry, clean mouth, blow air into the hole to inflate egg.
